Imagery: An access-restricted basemap image service that displays the best available (latest and highest spatial resolution) authoritative general reference imagery datasets captured by remotely piloted aircraft systems (drones), piloted aircraft, and satellite space craft over areas of Queensland under the Spatial Imagery Subscription Plan (SISP).

QTopo has been compiled from the best information available to Queensland Government. Although effort has been made to make the map an accurate reference, it is not field checked, and some information may not be correct. While efforts are made to show official place names gazetted under the Place Names Act 1994, this map contains ungazetted place names.

The Queensland Government takes no responsibility for the accuracy, currency, reliability, and correctness of any information included on the map. The Queensland Government does not warrant or accept any liability in relation to the accuracy, quality, or operability of the map. The Queensland Government, to the maximum extent permitted by law, will not be liable for any loss, damage, liability or claim whatsoever suffered or incurred by any person as a result of the use or reliance on information contained in this map.

The representation of any road or track is not evidence of Public Right of Way. People using private roads do so at their own risk, owners' permission should be obtained. Trails may not be open at time of visit, confirm locally prior to access. Nature Refuges are freehold land where the owner has entered into an agreement with the Queensland Government to protect land with significant conservation value, public access is not allowed, except with the permission of the owner.
